Holistic Scoring Rubric — Weather Timeline

Your grade will be determined by determining the number of points you receive in each area multiplied by the number of points for that area. Therefore if you score 4 points for Events your score for Events will be 32. Your total grade will be the combined score for each area.

	Score 4 Points	Score 3 Points	Score 2 Points	Score 1 Point
Events (8 Points)	You have included 50 events spread across the various centuries.	You have included 45 events spread across the various centuries.	You have included 40 events spread across the various centuries.	You have included 35 events spread across the various centuries.
